Fright Night

Themed Games Units For Your Horror/Halloween Themed Event

We have a range of themed games units for your event. Horror decor, along with lifelike props help create a spine chilling, but fun games experience. Staff in horror theme costumes, and one of our digital sound effects units with creaking doors, howling winds and screaming women all add to the atmosphere.

Our range of games add an extra special dimension to the evenings entertainment. Instead of hoopla, we have you throwing hoops over skulls. The coconut shie becomes knock the skulls off with a rubber eyeball. Our cork guns fire silver corks to knock a werewolf down, and finish with the old favourite, Dracula, can you hit him in the heart with your crossbow? We can also supply stocks, which can be used purely as a prop, or supplied with sponges and water (or even non toxic slime) to add to your fun.

Add one of our Victorian candy floss carts to your event. Specially trimmed in Black, with themed props added, we dispense a Toxic Green coloured candy floss. Green popcorn is also available.

Props And Backdrops For Your Horror/Halloween Themed Event

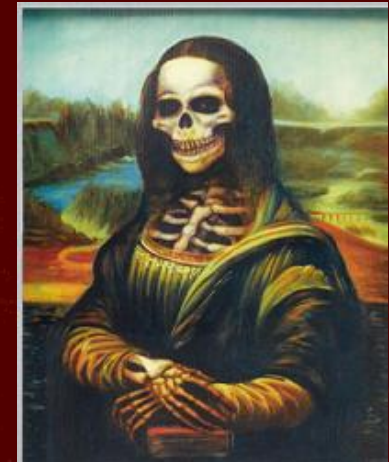

Props For Hire

In Addition to our themed games unit, we also have a range of horror props available for hire, these range from inexpensive life sized skulls, through to our most impressive item, a life sized man, holding his own decapitated head, whilst blood pumps from the severed artery in his neck. A selection of table top, hanging and standing effects, some over 16ft tall can transform your venue.

Backdrops For Room Dressing

We can supply backdrops in various lengths upto 30ft long. These can depict horror scenes and characters, or they can be graveyards, churches, spooky houses. Perfect for hiding features in a venue that do not fit in with your theme or just for generally improving the look and feel of your chosen room

Fright Night

Horror Outfits For Our Staff

Clothes Maketh The Man (Or Woman)

To complete the effect, the members of staff operating our games units come dressed to suit the event. Dracula, Werewolf, Freddy and more, it adds the polish to our package of attractions.

Prices

Because the prices of our games units vary so much depending on when your event is, where it is, how much you wish to hire etc, it is not possible to give prices either on the web site or in this brochure. If you contact our team via email giving details of your event, you would usually receive a firm quote within the hour.

Prizes

We usually supply a range of soft toys, inflatable's and fun items such as swords, skeletons, rubber eyeballs etc as prizes. These are intended purely as a bit of fun. However more expensive prizes can be arranged at extra cost, or you are free to supply additional prizes of your own.

Sound Effect Units

As standard we supply 1 digital sound effect unit for upto 3 games stalls you are hiring from us. Additional sound effects units can be hired. These contain a selection of spooky noises, screams, howls wind etc.

Backdrops

Large scale backdrops are available upto 30 ft long. Coloured lighting effects are supplied with them as standard giving a stunning visual effect which quickly transforms any room. Costs available on request.

Other Effects

We can supply fog machines to create a spooky mist effect, table top decorations and your catering menus printed in horror themed stationary, add to blood effect table cloths to make anyone squeamish.

Complete Design

Our event management team can takeover and supply a complete turnkey event, with room decor, props, entertainment and games units to provide you with a spine chilling evening of horror. Contact us for further details or to arrange a no obligation quote.
